## » Candidate Matching - Generic Sample

This report provides a comparison of selected candidates to the Generic Sample Success Pattern. This information will help when more than one candidate is being considered for the same position. The Job Match Percentage to this Success Pattern is shown for each candidate.

This report only provides a Job Match Percentage. Before you make any decisions, you should view the specific report(s) for that individual. The additional reports will provide insight into each person, which will enable you to make informed decisions.

Candidate Name	Job Match %
Sarah Sample	89%
Joe King	78%
Curt Zee	67%
Candince Spencer	65%
Al Frisco	65%
Trina Woods	64%
Bob Dwyer	57%
